

The issues that are most important to 18-30 year olds are in direct opposition to the issues pursued by the current administration.

What is the biggest challenge facing the U.S.?

Although the rank order of challenges is the same across genders, women have greater concerns about racism and healthcare while men focus on financial issues.

RACISM

You should love whoever you want, regardless of race, gender, religion, etc.

92%
Totally agree

It is important to me that my partner and I share the same ethnic background

79%
Totally disagree

INCOME INEQUALITY

Expect their income will rise in 12-18 months:

82%
Support raising the minimum wage to \$13

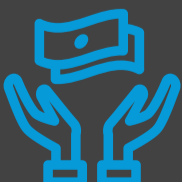

92%
Feel that the government should do more to help with the cost of higher education

HEALTHCARE

96% Support Universal Healthcare

THE ECONOMY

92%
Feel that the wealthiest Americans do **not** pay their fair share of taxes

74%
Feel that corporate taxes are too low
